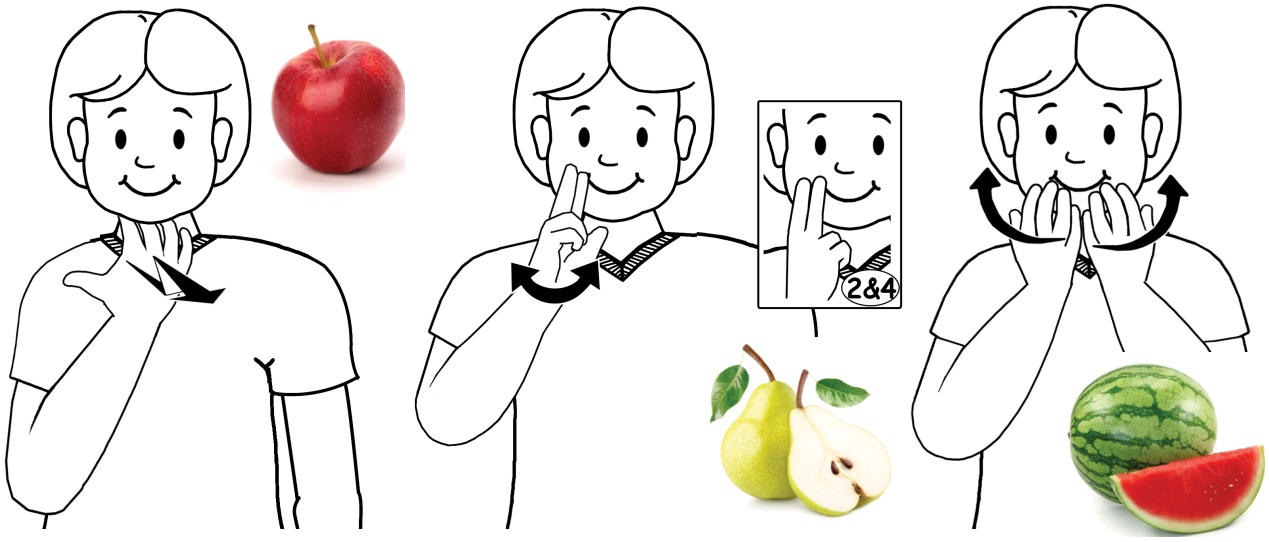
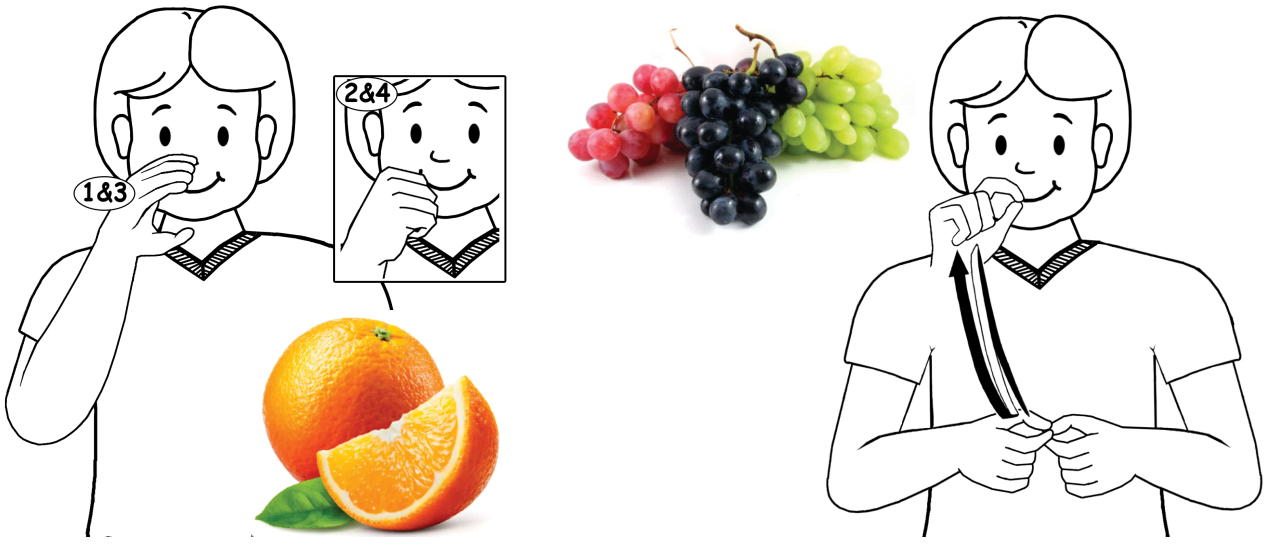
Teaching Notes for Introducing Fruit signs

To some extent it is up to you how many fruit signs you introduce. In the foundation year we only did 6 Lets start by revising those.





Hints to help you remember the signs:

- Apple - The Adams apple comes forward from throat
- Pear - two pears are better than one
- Watermelon - nom nom a big slice
- Orange - squeeze the orange
- Grapes - eat one grape at a time
- Banana - peel the banana before eating
