What is the difference between a site license and a single user license?

A single user can login anywhere with a login and password. Only 1 PC can be logged at any time.
 Site licenses do not require logging in, and allow **every PC in a building/site to be logged in simultaneously.**

Now you have a current and comprehensive Auslan Image and Resource Bank anywhere with internet!

FREE on your Mobile Phone

Search and learn signs anywhere, anytime for free via SignPlanet Mobile. **First launched in 2003** this feature has been regularly updated and now includes a new edition for the new 'large screen' mobile phones.

Both small and large screen phone versions are free to use!
 (Your provider's data charges will apply)

Simply enter the word you are searching for. You will instantly receive the **line art sign**, a **description of how to sign it**, notes on **state usage/popularity** and a **clipart image** of the item being signed (where available).

You can now take sign tutorials online. When you use your SignPlanet login to access on-mobile Auslan tutorials, it will keep track of your progress for you!

Make your own resources with www.SignPlanet.net

**Use SignPlanet to design, print
and save the resources YOU NEED,
quickly and effortlessly.**

It is a large site, and growing every day. Join the 4,000 plus who visit the site, every week.

Some of its features include :

A searchable dictionary of Auslan

For each sign you can **VIEW** and **PRINT** the line art image of the sign, plus a video clip of Signing Simon (our computer avatar), plus a clip art image, the description of how to perform the sign, state usage notes, and context usage notes where appropriate. You can search by individual word, or by category.

Text - To - Sign Conversion Tool

This tool allows you to convert English words and sentences into Auslan strips. Use it to create your own book translations or to create a customised list of signs (EG school spelling lists)

MORE CREATION TOOLS ►

Create your own resources

Using either your own word/sign list, or by selecting a category, you can create your own custom resources and save them for use as often as you need.

Kids & Carers Templates (also available to Teachers&Trainers)

- Flash Cards
- Room Labels / Sign Poster

Teachers & Trainers Templates include:

- Dictionary style page
- Simple sign strips
- Writing worksheets
- Circle a sign/object
- Game dice
- Dominos

You can set the size of the sign, font size and style.

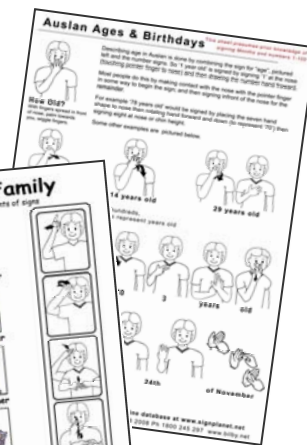

Save time with the Timetable Scheduler!

Simply select the time, event title (Eg Lunch), to include clipart or not, and click "make clocks" and you have your own personalised, signed schedule.

Our Label and Flashcard maker is very popular!

Simply select a category (eg: objects in the classroom, or clothing), and the size you want your labels to be. Tick to include descriptions of how to perform the signs and the click to create your labels! Print them, Laminate them if you want and start putting them up everywhere! It could not be easier!

Use our pre-made resources

There are now literally hundreds of pre-made resources available including song-sheets, games and activities, worksheets, labels for the home and school, quick reference charts, handouts and much more. So many that we have added a search feature that allows you to view resources by category or type and search for resources included in your word/sign list.

Learn by level and category tutorials

Learn at your own pace online with access to the line art and **Signing Simon** (picture on back page) video clips, plus descriptions of how to perform each sign.
