How to Prepare + Play Bilby Bingo Game Sets

Preparation:

Step 1 : Print out the Bingo Card Sheets and Call Sheet

Step 2 : Cut out the call sheet and put the squares into a hat or bowl.

Step 3 : Cut out the boards and counters (if required)

You are now ready to play bingo.

How to play the game:

Step 1 : Distribute one Bingo card to each child.

Step 2 : You will need a designated caller. This could be one of the children playing, or a teacher, parent etc

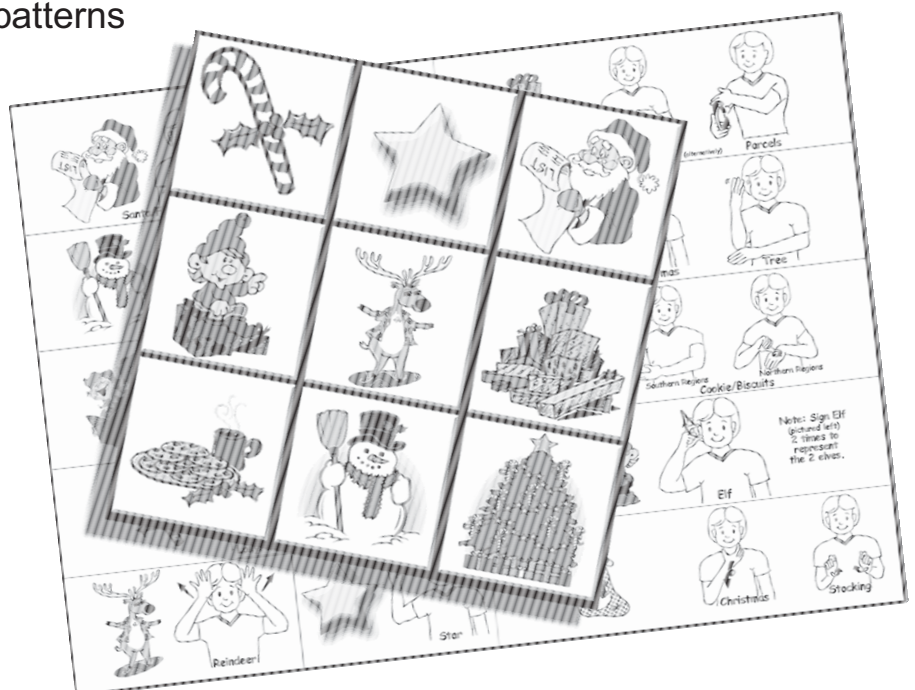

The caller should pull out one image, sign it and show it to younger children.

Step 3 : The children should place a counter on a square depicting the item "called".

Step 4 : WINNING! Once a predetermined pattern is made on a card, the child with that card calls out BINGO.

The "winning pattern can be as simple as "3 in a row", which is best for younger children (2-4), or may be more complicated for older children.

Choose from one of the patterns on page 2, or make up your own.
