About this kit

This Easter kit has been designed by Bilby Publishing as part of our commitment to help all Australians bring Auslan (Australian Sign language) into their homes, workplaces, day and childcare centers and schools.

This is a non-religious based kit and covers Easter as a festivity not a religious event. It is intended to be a simply and fun introduction to Auslan signs, based around the Easter theme and includes the following resources and activities:

- **Easter Signs ~** A simple sheet of Auslan Signs, for children & adults.
- **Easter Bingo ~** Together there are 10 **Unique Bingo cards**
- **Easter Colour In Pages ~** Three different designs to choose from, each including Auslan signs and English words for the image.

Other Auslan kits by Bilby Publishing

We have also developed an **Auslan Christmas Activity Pack** a number of **song packs**, including a **new nursery rhyme pack**; a **baby sign pack**, and **classroom labels pack**.

If you are interested in any of these please visit www.auslan.net to download them free, or contact Bilby Publishing on Ph 1800 245 297.

If you have a need for a specifically themed pack please do let us know.

Other packs in development currently include:

- **International Polar Year—Celebrate with a sign**
A special Antarctic themed pack including teachers notes and activities across the Antarctic theme, as well as Auslan based games and activities.
- **Kinder Auslan Activities—Introducing Auslan into the Kinder room**
- **Auslan at Home—Household labels and information for parents**

Easter Bingo

How to play

This Auslan Easter bingo has been designed by Bilby Publishing to be used by signing children, or as part of an Auslan (Australian Sign language) LOTE program within the classroom.

Included:

- **Easter Signs** ~ A simple sheet of Auslan Signs, for children & adults, that can be used as a "call sheet" for the bingo game.
- **Easter Bingo Cards** ~ Together there are 10 Unique Bingo cards included. Print and cut cards as required.

TO WIN

Each card is unique, but all cards include the same 6 images.

The caller will sign the six images at random

Place a counter (not provided within kit) on the image for each sign "called"

The WINNER is the first person to make a horizontal line, either on the top or bottom row, like the ones in the pictures below.

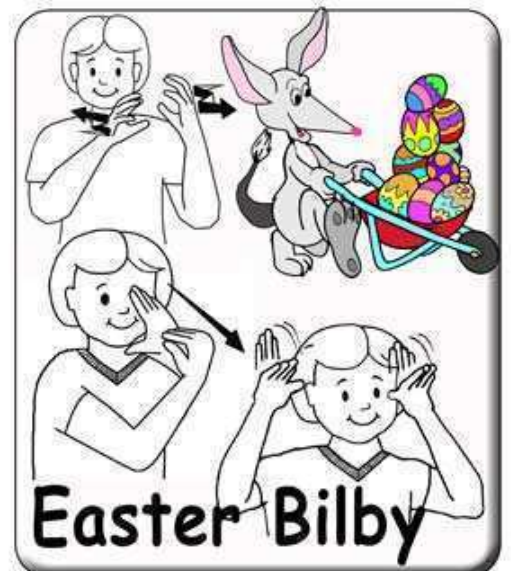

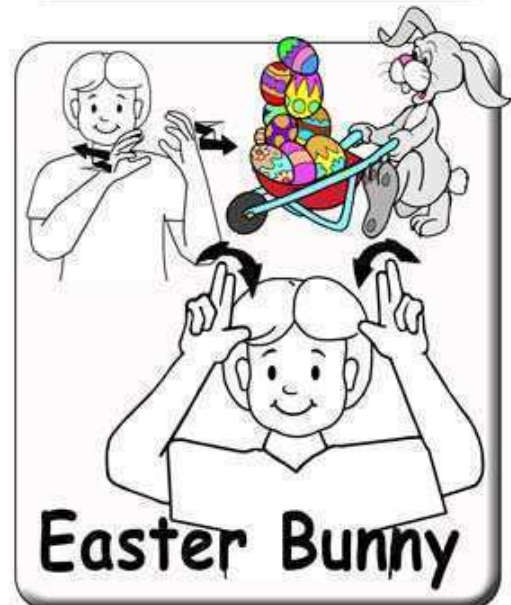

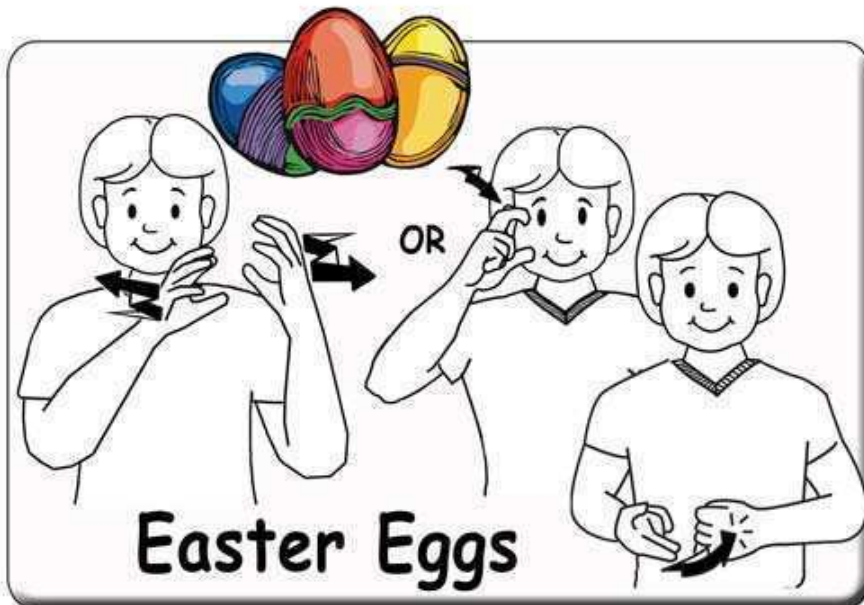

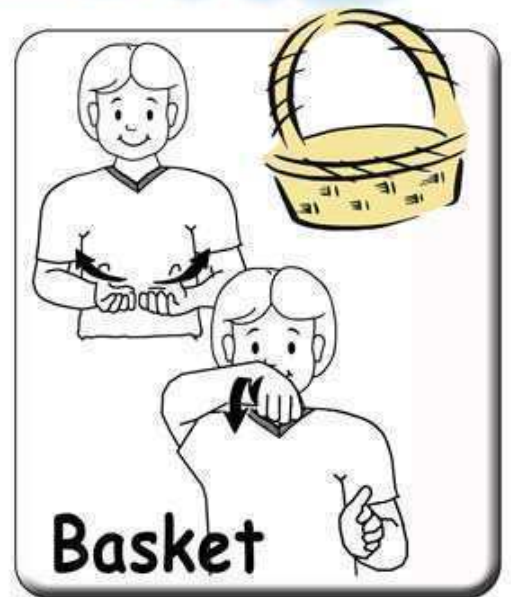

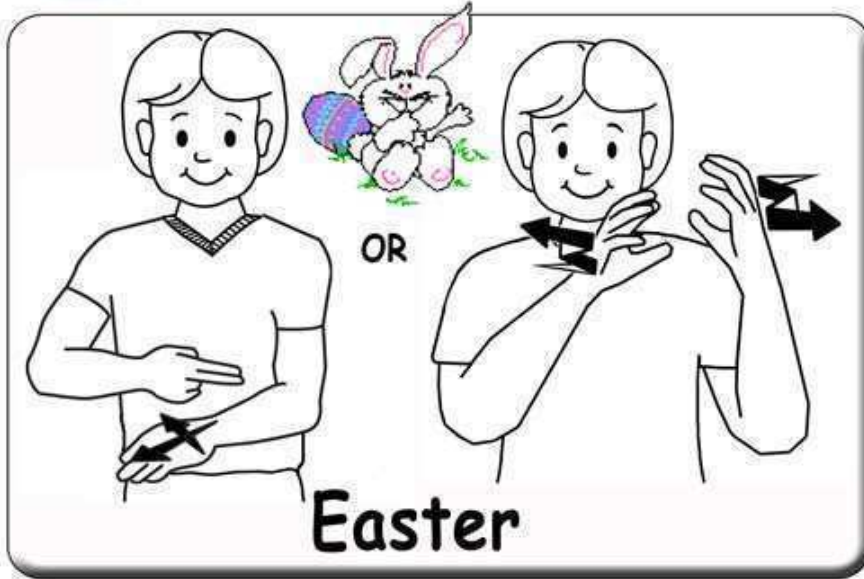

Good Luck, and happy signing :)
